

North Dakota State Commissioner of University and School Lands

The ND Board of University and School Lands is seeking an individual to manage the ND State Land Dept. which administers investments, land, and minerals, as trustee for its beneficiaries, including the common schools of the State. The agency also administers the Unclaimed Property statutes and the Energy Development Impact Office. The Commissioner is the agency's CEO and reports to the Board.

This position requires a bachelor's degree and extensive high level management experience. Salary and benefits commensurate with experience. For more detailed information about this position, complete minimum qualifications, and application procedures call Kate O'Neill @ 701-328-1016 or: <http://www.nd.gov/hrms/jobs/announcements.asp>
Application deadline is December 15, 2009.
